San Nicolas Hotel Preparing for Recruitment Real Soon

According to a representative from Three Rivers Real Estate, that is in charge of building the Secrets Baby Beach Resort, the company have rented an office space at Arubus Commercial Area in San Nicolas. The intention is for the office to be operational

by the end of February 2020 , officially. Furthermore I was informed that in the middle of the month of March, 2020, will start placing cement on the hotel construction site , situated at Seroe Colorado. At this moment there is a bidding process taking place, in which a majority of contractors from San Nicolas and surrounding is participating. In the meantime Three Rivers Real Estate will hold a jobfair via DPL to recrute personnel. What personnel for the hotel concern, some hotel workers that work in the hotels situated in the hotel area, and live in San Nicolas and Surrounding, has approached the representative of Three Rivers Real Estate. They made known that they are willing to work at a hotel that is close to their home town. Left to say, that all those who are interested in working at the future hotel in Seroe Colorado are free to approach DPL.

Bring it to us and we carry it to them

What's going on, what's going on?? Please tell us, when is the funeral? When will you and I

buried the Aruba Carnival? Is there enough space in the cemetery?

Please people, study this picture, is this a normal picture that you and I are a custom of? An

official carnival parade in San Nicolas? Is our carnival dying or is it already dead?

All questions that need an answer as soon as possible.

Ten or more years ago, the Ministry of Education re-organized the Aruban secondary school system and the Cyclo Basico was introduced. Within the curriculum of the Cyclo Basico they develop the CKV (Cultuur en Kunst Vorming) Culture and Art Science. Now, if Carnival is our culture, why don't they teach it in the schools? The making of costumes, head pieces, shoulder pieces, road pieces are all art works, why don't they teach it in the schools as a part of handy craft?

Most of our school are under auspices of religious organizations, could that be the reason? If carnival is my culture then.....Is carnival a religious activity? Is carnival a pagan feast?

We from the Unity in The Community will keep our personal opinion for ourselves, but we need your input to save one of our biggest community gathering. Please let us know your take and ideas on this one.

CORONA VIRUS

Myths and Facts

| Myths | Facts |
|--|---|
| Corona is the most dangerous virus that exists. | The common flu kills 60 times more people annually than Corona. |
| I will die if I am diagnosed with the Corona virus. | Only 2% of cases have reported deaths and most of these deaths were associated with weaker immune systems (e.g. old age). |
| I need to buy a hazmat suit and a n95 mask to stay protected. | Washing hands and sneezing into elbows is the best practice. |
| We all need to panic and blame China for this emergency. I should also make insensitive jokes about international students. | The panic and hysteria that's happening is fueled by racism and xenophobia, not evidence or practicality. Nothing justifies being rude to others. |
| I should believe everything I read online about Corona virus because it is all factually checked and written without any bias. | Misinformation and racism is more dangerous than any virus; check for references and look for evidence, not ideology. |
